Inclusion Program Application Form

Directions: Please carefully read and thoroughly complete each answer. Clearly print all responses. This form has been prepared to help us determine if we can provide accommodations and support for your child to safely grow and thrive while attending our Day Camp program

Please Note: All campers are accepted on a case by case basis. The Kroc Center Day Camp Inclusion Program cannot provide specialized 1-on-1 supervision/care for any individual campers. Staff to camper ratio levels range from 1:6 to 1:10 based upon age-appropriate guidelines. As part of the Inclusion Application process, each child (and at least one parent) will be required to attend an interview with the Inclusion Coordinator to discuss/determine if we can provide reasonable accommodations to meet your child's needs and (most importantly) keep them safe while at camp.

The Inclusion Coordinator will reach out to schedule any interview within two weeks of receiving the Inclusion Application Form.
