Introduction

Welcome to The Salvation Army Ray and Joan Kroc Corps Community Center Day Camp. Our camp counselors are looking forward to spending fun-filled days with your camper during Day Camp. Our goal is to create a positive and safe environment that will enable your camper to make new friends, meet up with old camp mates, and build skills in new and exciting activities. We are dedicated to holding campers to their best, and to challenging them in ways that increase confidence and self esteem. Please read over this entire guide, as it lays out the policies and procedures in place that help foster this environment and create a positive experience for everyone. This guide is meant as a resource for parents to utilize throughout the camp session. However, please do not hesitate to contact the Day Camp Manager if you have questions or concerns.

The Salvation Army Day Camp - An Arizona Department of Health Service Licensed Camp

We are extremely proud that Camp Kroc became an Arizona Department of Health Service licensed camp in the summer of 2018. This means that your child is spending their summer in a safe and fun environment, supervised by well-qualified counselors. We have undergone a thorough review of operations, staffing, programming, and safety. The DHS is the recognized leader in organized child care. The Department of Health Services is located at 150 N. 18th Ave. Phoenix, AZ. 85007 and can be reached at (602)364-2539. Camp Kroc is classified as a Full-Day Care, Part-Day Care for School-Age Child Care and Three-, Four- & Five-Year-Old Child Care by DHS. For more information about the DHS and what licensing means to parents and the community, visit www.azdhs.gov.

Praesidium Accreditation

The Salvation Army Kroc Center also has been awarded accreditation a Praesidium Accreditation. Praesidium, Inc. is the leader in abuse risk management. To attain this accreditation, we underwent a rigorous risk assessment to review and scrutinize eight primary operational areas within our business including: policies, screening and selection, training, monitoring and supervision, consumer participation, feedback systems, responding and administrative systems. Praesidium Accreditation is a prestigious honor that publicly demonstrates to consumers that we have worked to achieve the highest industry standards in abuse prevention.

 - d) Campers will share in the responsibilities of caring for the RJKCCC by treating all gear and equipment with respect and picking up trash.

- 3) To develop skills in activity-specific areas.**
 - a) Campers will be able to demonstrate skill comprehension through mentoring other campers.

You will be asked to pay for Extended Care upon arrival. Any camper not enrolled in Extended Care, and not picked up by 4:00p.m. will be marked at the sign-out table. The parent may choose to enroll the camper in Extended Care for the remainder of the week and will be asked to pay the balance upon arrival.

If a child is not picked before 6:00 PM, we will contact parents to ensure pick-up. Every attempt will be made to contact parents. If we have not heard from the parent by 7:00p.m., Child Protective Services will be notified.

Drop-off & Pick-up Procedures

Changes to Drop-off & Pick-up procedures: Parents, please be advised that specific drop-off and pick-up procedures are subject to change. Please feel free to contact the Day Camp Manager, Day Camp Office, or Welcome Desk if you have any questions about dropping off or picking up your child.

Safety: The Salvation Army Kroc Center is a public facility. The Gymnasium and surrounding parking lot are typically busy during Day Camp drop-off and pick-up times. Please keep in mind the safety of your family and all of our users by adhering to the following guidelines:

2. Follow posted speed limits (5MPH).
3. Park in designated parking spaces only

A medical exemption form will be available upon request.

Day Camp Counselors

We feel confident that we have the best staff around! Our staff is as diverse as our campers. The majority of our staff is recruited from local colleges, universities and Elementary Schools with backgrounds in Recreation, Education, Special Education, Drama, Fine Arts, Psychology, Christian Education, Business, and other diverse fields of study. A number of our staff are enrolled in graduate or teaching credential programs. Most importantly, our staff is made up of people who love kids. They want to spend their time playing, teaching, and working with children. All Camp Kroc staff members are certified in basic First Aid, CPR and AED, all have fingerprint clearance cards, and receive extensive training prior to the start of camp under the Arizona licensing requirements. You can be sure that we are hiring the “best of the best” to work with your children.

Ratios

To maximize the learning experience and to maintain a safe environment, Camp Kroc ensures sufficient staff-to-camper ratios as recommended by the Arizona Health and Safety Department and will not exceed 1:13 ratio for Pee Wee Camp and 1:20 Adventure Camp. The Salvation Army ratios will be 1:6 for Mini Camp and 1:10 for Adventure Camp. A minimum of two staff must always be present, regardless of the number of campers. This will be adhered to during irregular camp hours (Extended Care and All Camp).

Tips/ Gifts

The Salvation Army policy states that employees are not to accept tips, gifts, or other gratuities. We encourage you to make a donation to help children who otherwise wouldn't be able to go to camp through our scholarship program.

Day Camp Visitors

Sending your child away to camp for the first time can be stressful. We encourage parents to check out Day Camp in action. Please stop by the Camp Office (Welcome Desk during non-summer sessions) and be prepared to show identification to ensure that all visitors are listed as authorized adults to pick-up a child. You'll receive a “visitor” badge and be directed to the group's location. We ask that you observe for a limited time and from a distance, so as to maintain safety procedures in activity areas.

Communications

Making changes to list of authorized individuals

Only the parent who enrolled a camper may change the list of individuals authorized to pick-up a camper. This should be done in-person at the Day Camp Office (Welcome Desk during non-summer sessions). Identification is required.

Contacting your Camper

We understand that urgent situations arise. If you should ever need to reach your child while she/he is in camp, please call the Kroc Center Welcome Desk. During the summer season, you may call the Day Camp Office. A Kroc Center staff member will be able to reach your child's counselor and either relay a message or bring the camper to the nearest phone.

Cell Phone Policy

Social development is one of our top values; use of cell phones creates a distraction and a "disconnect" between campers and the activities being led, as well as their overall involvement with peers and the camp program. Please do not send your camper with a cell phone to camp.

We understand that you may want to check-in on your camper periodically throughout the day; however, please use one of the above-mentioned methods of communicating with your child. If there is a specific reason you would like your child to carry a cell phone, please communicate with a Camp Lead. If an approved cell phone becomes a distraction or is used in addition to the expressed reason, his/her counselor will take possession of the phone and return it at the end of the day.

Communicating Camper Information to Day Camp Staff

Exchange of information between parents and staff provides insight for both parties. It is vital that you inform us of changes in your child's life so the staff may provide the best care possible. We will treat this information with the utmost concern. There are several methods in which you may contact the Day Camp staff about your child.

- **Enrollment Form**: Parents are encouraged to indicate any circumstances that may affect the child's experience at camp on the Camp Waiver Form. This information is passed onto his/her counselors on the first day.
- **Telephone**: During the summer, you may call the Day Camp Office. At all other times, contact the Day Camp Manager or Welcome Desk (602-425-5000) to relay information regarding your camper.
- **Email**: Written notification is an excellent way to communicate information about your camper, as well as specific questions or concerns you may have. You can contact the Day Camp Manager directly (mel.apostol@usw.salvationarmy.org). Anticipate an email or phone response within 24 hours.
- **In-Person**: During sign-in & sign-out, the Camp Lead or Head Counselor are typically available to discuss your camper's needs or any questions or concerns you may have.

Communicating Camp Changes to Parents

Group schedules are available at the beginning of each week. If a change is made that will affect daily packing lists or affects the location of sign-in or sign-out, staff will communicate the change to campers and inform parents with notices at sign-out the day before. Parents are also encouraged to check out our website and Facebook page for updates, changes and special

events. If you have any concerns about potential changes to camp due to inclement weather or other unforeseeable forces, please don't hesitate to contact the Camp Office or the Day Camp Manager for specific details.

facebook

<https://www.facebook.com/psmkroc/>

Become a fan of the Kroc Center on Facebook. We'll keep you informed about upcoming camp events, discounts and the latest happenings at the Kroc Center. In addition, we'll post photos and videos to give you inside look into each week at camp. In keeping with our confidentiality and security policies, the Kroc Center will carefully monitor the content of our page.

What to Expect at Day Camp

All group schedules are available to parents the Friday before the first day of each camp session at the Camp Office Desk, and we make every effort to remain true to those schedules. The Camp Office & Welcome Desk will be alerted if changes are made. Below is a description of what to expect while at camp.

Huddle & Chapel

Huddle and Chapel emphasizes the development of the whole child – within their environment – to help them grow physically, mentally, and socially. Each day at camp, participants will spend time in small group “huddles” examining character building lessons that promote integrity and positive development. During Chapel, they will participate in group biblical lessons with a member of the ministry team. The ministry will expand on lessons, drawing references and lessons from the Bible.

Morning Game

Day Camp kicks off each day with an all-camp morning game, ice-breakers, and/or songs.

Breakfast/ Lunch

Breakfast and Lunch and an afternoon snack are provided to each camper free of charge. Breakfast will be from 6:30am-8:00am and afternoon snack will be provided at 4:30pm. If your camper is a picky eater, has severe allergies, or has very limiting dietary restrictions, we encourage you to pack a lunch from home; however, choosing not to use this benefit will not reduce the price of camp. Meals are prepared and delivered each day by St. Mary’s Food Bank and provide one third of the USDA daily-recommended nutrition. Menus are available at sign-in.

Sports & Specialty Camps

Campers in sports, specialty, and spiritual discovery camps follow the same basic schedule of sign-in & out procedures, as well as daily introduction activities. Children enrolled in sports camps spend approximately three hours daily focusing on skills and play of their sport; the remainder of the day is spent exploring other activities at the Kroc Center, which may include: guest speakers, arts & crafts, Literacy Reading Program, swimming and rock climbing. Our non-specialty camps, include 3-5 hours each day spent exploring the designated curriculum, with the remainder of the day participating in various activities. Campers in specialty camps are not guaranteed to visit each of the Kroc Center venues.

Summer Thursday in the Theatre

What better way to beat the heat than to enjoy a few relaxing hours in a full-size movie theatre? Most Thursday afternoons, campers watch a movie in our Performing Arts Theatre. Movies are selected based on appropriateness for the general camper population (G or PG), as well as the weekly theme.

What to bring to Day Camp

Attire

Campers are required to wear socks & closed-toe shoes daily. Campers should wear season-appropriate clothes in which they are ready to play hard and get dirty! Outside snaps, buttons or ties are not recommended as they may catch on things during play. For girls, we do not recommend skirts or dresses unless shorts are underneath.

Pee Wee Camp Parents: Please send your child in clothing and footwear she/he can put on without assistance.

Backpack/ Bag

Campers should bring a backpack or bag to carry all of their belongings. EVERYTHING should be labeled. We are a Peanut Free Camp. Please consider packing:

Swimsuit - During Summer session, campers may go swimming / splash pad up to three times per week. **Pack a suit, sandals, and towel on Tuesday - Friday in case the group is scheduled to swim**, as well as other days as indicated. (Campers swim during Fall, Winter and Spring sessions). Once a week a calendar will be provided.

Pee Wee Campers Only- Pee Wee Camp is scheduled for a daily “quiet time” during which the campers may either take a brief nap or do a quiet activity. No valuables, please.

Lost Items

Lost & found items are kept for two weeks after a session, and then donated to the local Salvation Army Thrift Store. The Day Camp lost & found box is available at sign-in and sign-out and the Camp Office; smaller items are stored separately. Additionally, each venue of the Kroc Center has a lost & found. If your camper believes she/he lost something in a specific area of the Center, we recommend that you either stop by that venue or contact the Welcome Desk for assistance.

What NOT to bring to Camp

Below is a list of items that are not welcome at the Camp Kroc. Should your camper bring these, they will be confiscated & given to the parent at sign-out. This policy is for the campers' safety, as well as to encourage group interactions. Additionally, the Kroc Center is not responsible for camper possessions that are broken, lost, or stolen. Please do not have your camper bring valuables!

- Cell phones. (See Communications section).
- Electronics: Tablets, iPods, electronic games, video cameras, etc.
- Expensive jewelry or other belongings.
- Shoes with wheels in the soles (“heelies”).
- Personal toys such as cards/trading games, motorized cars, boats, dolls, stuffed animals.
- Pets.
- Drugs or alcohol of any type.
- Weapons: guns, knives, nunchakus or any other weapon (real or pretend).

Food “donations”/ Treats

In order to maintain compliance with food safety regulations and in consideration of campers with special dietary restrictions, Camp Kroc is not permitted to accept donations of food unless prepared commercially. We do want to celebrate the camper's successes and experience at

camp and truly appreciate parents' desire to provide treats or goodies for the campers. Please check with a Camp Lead or Head Counselor prior to bringing in special treats for your child's group.

Money

We do NOT encourage campers to bring money to camp. Just like personal valuables, there is the chance of it getting misplaced.

Behavior Expectations

The Camp Kroc program strives to offer every child, regardless of ability, the opportunity to participate in recreational activities that are both fun & educational, allowing him or her to learn new skills, foster relationships, and build self-confidence. Our counselors work to create a positive environment that is free from discrimination or other factors that may prohibit campers from having an enjoyable experience at camp.

Every child deserves to have a positive experience at camp, free from peer pressure, excessive negativity, and any other behavior that negatively affects his/her self-esteem and/or ability to fully participate in camp activities. We take bullying of any kind very seriously. Day Camp counselors are trained in utilizing positive discipline techniques to create a positive camp environment that welcomes growth & learning.

At the beginning of each camp session, counselors and campers work together to create a Camp Contract and outline the consequences for misbehavior. The best way to deal with problems is through a proactive approach-informing the campers of what is expected of her or him and creating an environment that fosters openness, respect, and fun. Children thrive creatively within a structured system; by giving the campers boundaries and expectations, the counselors give them the freedom to play and learn through their experiences.

Camp Contract

Counselors review the rules at the beginning of each camp session. At the most fundamental level, campers are expected to keep hands, feet, and all objects to themselves, listen to all instructions, and stay with the group at all times. Campers are encouraged to identify other expectations they would like to set for themselves. We expect campers at the Kroc Center to respect themselves, respect others, and respect their environment.

Behavior Management Policy

Preventing negative behavior from occurring is the best way to avoid consequences for misbehavior. Regardless of how positively a camp group begins their journey, various factors may contribute to a camper breaking the rules established by the Camp Contract, resulting in the need for disciplinary action. Should disciplinary action become necessary, our Day Camp staff will utilize verbal warnings, time out sessions, and sometimes parents will be asked to pick-up their camper. If a camper's behavior warrants disciplinary action, the parent is provided with a Report to Parents form at sign-out, explaining the situation and what action was taken. Any questions about the incident may be directed to the Day Camp Head Counselor, Lead or Day Camp Manager. Feedback is welcome; we want to do everything possible to make sure each camper has a positive camp experience.

More serious or repeat offenses will require a camper to be placed on a Behavior Contract that is developed cooperatively between Day Camp Staff and the camper's parents/guardians. Some acts, such as fighting, theft, possession of weapons/drugs, will result in immediate suspension or expulsion, necessitating removal from camp. A parent or an authorized adult is responsible for picking him/her up immediately. No refunds or credits are granted for missed days of camp due to behavior problems.

Transportation Procedures/Field Trip Requirements

We do not provide transportation to and from the Kroc Center. We do not have off-site field trips. However, on the first day of each week, we are required to have parents allow signed permission for campers to visit our different venues including Pool, Playground, Climbing Tower, and Theater. On the form, please include all campers who are enrolled with us if there are multiple campers being dropped off.

Parent Information Board

The Parent Information Board will be located in the Day Camp Office, parents can get a majority of the information including Breakfast, Lunch, and Snack Menus, Daily Schedules, DHS license, etc. If we are needing to apply pesticides at our facility, a notice will be posted on the board 48 hours before said application.

Pool Area

All campers change in the common gender-specific bathroom or Cabana for swimming, under supervision of counselors. Campers who wish to swim in the deep-water pool must pass an end-to-end swim test at the beginning of each swim session. Children that cannot swim well are required to remain in the shallow Recreation Pool. Due to safety concerns, only US Coast Guard approved floatation devices are permitted in the pool. Day Camp can provide a floatation device if a camper requires one. Pool toys of any kind are not allowed. In order to provide the best care possible, please indicate if your camper is "Water Safe" or not on the Camp Waiver Form.

Medical Protocol

If your camper has any special medical needs, please include this information on the Camp Registration Form and on the Arizona licensing Medication form that has been provided. This includes all medical or behavioral diagnoses that may affect your child's experience at camp. Even if your child does not take medication for the condition, knowledge of the condition helps our counselors to provide the best care possible for your child. A Lead or Head Counselor will contact you to find out more detailed information about the camper's needs, medications & any side effects they may have during their experience at camp.

Medications

If your child needs medications administered during the camp day, the Arizona Health History Form must be completed and the medication(s) dropped off in their original prescription container with your child's name printed on the label and placed in a plastic bag. All medications are stored in locked containers in the Camp Office. Camp Kroc does not provide over-the-counter medications for campers. Staff is not authorized to dispense over-the-counter medications to

children unless they are accompanied by a written note from the camper's parent, the Health History Form, and submitted in a plastic bag with the camper's name clearly marked.

Administration of Medications: A Head Counselor or Manager will administer all medications according to the Health History Form on file for the camper.

Centrally Stored Medications: Some parents may have multiple containers of a child's medication. If you would like to keep a medication onsite overnight for the duration of the camp season please see a Head Counselor or Day Camp Manager to provide the appropriate information. Otherwise, all medications must be dropped off and picked up daily.

Permission to Carry: All (prescriptions such as asthma inhalers and epi-pens), will be carried by the counselor in your child's group. Camp Head Counselor or Manager will administer all medications.

Illnesses/ Injuries at Camp

Camp is not designed to handle ill children. If your camper becomes ill while at camp, our staff will contact you to pick him/her up. Sick campers must be picked up within an hour of being contacts to stay in compliance with Arizona licensing. Camp Kroc staff are basic First-Aid, CPR, and AED certified. All camp groups will always have basic First Aid needs with them. There is a First Aid supplies are also stored in the Day Camp Office and Manager's Office. Staff will treat minor injuries requiring application of a bandage or ice. If further medical attention is required or if we are unsure of the severity of the injury, parents will be notified immediately. The Emergency Medical System (911) will be activated at the discretion of Camp Head Counselor and/or the Day Camp Manager. If we are unable to reach the parents and a child needs immediate medical attention, she/he will be transported to the hospital by an ambulance, and we will continue attempts to reach adults listed on the Camp Waiver Form. All expenses for emergency medical care are the responsibility of the parent or guardian.

Emergency Procedures

In case of emergencies, The Salvation Army Ray and Joan Kroc Community Center Emergency Plan will be put into place. Camp Staff have been trained to know what to do during a situation that requires a Hard Lockdown, a Soft Lockdown, or a Fire Evacuation. In case of an evacuation, we will follow evacuation maps which are located in each area. Manager on Duty/Security/Officers/Center Director/Asst Center Director will work together to make sure all areas were cleared. Evacuation locations include the East Parking Lot across the street (Address: 1421 S. 14th St. Phx, AZ 85040), West Parking Lot, and ASU Prep South Phoenix High School (Address: 4445 S. 12th St. Phx, AZ 85040).

Inclusion Program

Camp Kroc works to include ALL children in our programs. Parents of children with special needs should contact the Day Camp Manager at least two weeks prior to the desired session's start date to determine whether the Kroc Center can provide appropriate accommodations for your child and which camp(s) will be best suited for him/her.
